## Ladies THL Minute Secretary

As no one has yet come forward to take on the Voluntary role of General Secretary for The Ladies THL, they are now seeking a Minute Secretary to volunteer to take minutes. This will only involve taking minutes at each meeting and typing them up to circulate to the committee. They will also need to take the minutes at the AGM and send out the agenda.

All other duties will be covered by Elsie Watts and Vicky Smith, they will convene all the meetings.

By scaling down this position we hope that someone will come forward to take this on.

Please give it your priority as we need someone to help the team.
