

AUSTRALIAN PAIRS TOURNAMENT, PORTUGAL

In March, six members from Clacton Bowling Club along with their loyal support base, went to Portugal to play in the Australian Pairs Tournament alongside 29 other pairs of hopefuls from all over Europe, some as far away as Denmark. Norman and Carole Morgan went on to reach the quarter finals while the newly paired team of Tony Gibbs and Stuart Tyler went on further to reach the Semi-Finals putting Clacton Bowls Club well and truly on the map. Well done to all those who participated and represented Clacton Bowling Club so well and thanks to those loyal supporters who accompanied them.
